NICE - Network of InterCultural Exchange dedicates itself to educational exchange with Argentina. For this objective NICE mediates specific internships in Argentina to students of all nationalities and courses of study.

The internship mentioned above is part of a programme that supports students who cannot afford an individual mediation. For this reason, this internship is free of any mediation fee.

Not the right internship for you? Please send an e-mail to NICE. We will be glad to inform you about internship examples within your requested field of studies.
