Szczegóły oferty:

Requirements:

As our goal is to have native speakers from our target markets, we are looking for applicants from Poland. The candidate should be also fluent in English or German which are our company languages.

A business, economic or medical background would be an asset but is not crucial.

The applicant should be experienced in the use of MS Office, Internet, Email, **very motivated to learn and work in the field of sales and marketing.**

We offer:

nal von minden GmbH is a young company with focus on sales of innovative medical diagnostics. You will learn about emerging technologies and new approaches to market high tech products.

Our marketing and sales team comprises currently of young and enthusiastic colleagues from Germany, France, Spain, Netherlands, Italy and Indi. The average age of our team members is around 25.

You will get insight in all aspects of a marketing and sales organization, from planning the introduction of new products into new markets, to product management, to execution of actual sales processes and key account management. You will have the opportunity to directly influence the strategy to market our product in the Polish market.

BENEFITS WITH THE INTERN POSITION:

Monthly payment of 400 EUR + 200 EUR success based bonus which can be achieved every month.

Duties:

For the duration of the internship you will be a full member of our international sales team and work together with up to 5 colleagues on the polish market. Your tasks will include market analyses, competition strategies, preparing advertising material,

planning and execution of marketing activities, telephone-marketing, usage of customer-relationship-management (CRM) and merchandise management software.

Starting date:

as soon as possible, latest March 2009.

We usually offer our internships for a period of about 6 months although we are flexible on the duration.

Application method:

Please feel free to send us your CV and covering letter by email or through the post. If you have any questions you are also welcome to call or e-mail us at any time, as well as visit our websites
