### **Internship: NO INTERNSHIP AT SGH**

### **Internship at EDHEC: YES, 4 month minimum internship / work experience, equivalent to 30 ECTS credits**

Professional experience is required for the degree. Job placements and Internships can be conducted after the last semester of the MSc programme at EDHEC. EDHEC validates these professional experiences based on the nature of the missions entrusted to the student as well as the sector and type of company in which he/she carries out these missions. Professional experience may be acquired in France or abroad and must be concerned with a mission corresponding to the programme's academic content and level of studies. The teams at EDHEC's Career Centre support the student in his/her professional experience and contribute towards defining the objectives. Validation of professional experience is subject to absolute approval by the Graduation Jury, based on recommendations from EDHEC's Career Centre.

If a SGH student has accomplished an internship during their Bachelor or Master studies this may be accepted provided it meets EDHEC's requirements. Prior work experience or a full time job abroad or in France is eligible to meet internship criteria in accordance with guidelines set out by our Student Career Center. Students requesting an internship waiver or equivalency, send the internship/work contract together with the application form to the EDHEC Student Career Center.

### **Master seminar and master thesis at SGH – second year of double degree studies**
