Outbound mobility for students at Kaunas University of Technology

Topics of workshops/seminars planned during the stay at KTU:

- International business with a focus on cross-cultural management (basic course for students)
- International economics (basic course for students)
- Statistical data analysis (basic course for students)
- Sustainable development: supply chain sustainability indicators monitoring by using Bloomberg (course for students and doctoral candidates*)
- Index - quantitative and qualitative research methods (course for students and doctoral candidates*)
- Quantitative research methods: MHL method (advanced course for doctoral candidates*)

* Doctoral students are also invited to participate in KTU Global Faculty Week open lectures.

Study visits to two companies in Lithuania, such as Kika. The companies are still tentative and will be confirmed in due course.

Other activities during the stay at KTU include: a welcome and wrap-up session, a campus tour, meetings with students, doctoral candidates and academic staff at KTU, as well as a city sightseeing tour.

Please bread in mind that this is still tentative, and the final program will be announced in March/April 2026.
