.....
(title of the doctoral dissertation)

prepared under the supervision of:

.....
(full name of the supervisor and assistant supervisor, if appointed)

- ☐ **No artificial intelligence (AI) tools were used.**

- ☐ **Artificial intelligence (AI) tools were used.**

I declare that all substantive analyses, critical evaluations, and interpretations of the results were carried out independently by me, and that the dissertation does not contain any content obtained contrary to the rules adopted by the Warsaw School of Economics.

.....
(doctoral candidate's signature)

Scope and Manner of the Use of Artificial Intelligence in the Areas Listed Below
(please describe which AI tools were used and how they were utilized in carrying out particular elements of the doctoral dissertation.)

1. Ideation:

.....
.....
.....
.....
.....
.....

2. Knowledge Acquisition and Literature Review:

.....
.....
.....
.....
.....
.....

3. Writing:

.....
.....
.....
.....
.....
.....

4. Text Operations:

.....
.....
.....
.....
.....
.....

5. Creation of Graphics:

.....

.....

.....

.....

.....

.....

6. Programming

.....

.....

.....

.....

.....

.....

7. Data Analysis:

.....

.....

.....

.....

.....

.....

8. Economic and Mathematical Modelling:

.....

.....

.....

.....

.....

.....

9. Other (please specify)

.....

.....

.....

.....
